

# Brian Remmey

*Transitional Shepherd*

Hello Church,

I am Brian Remmey. A Philadelphia area native of Scottish and German heritage, I grew up the oldest of four brothers. Baptized, confirmed and raised in the Lutheran Church, I was surrounded and blessed by family, friends, and fellow Christians. Encouraged to read scripture, especially those words written in red, I listened and learned. I graduated from Gettysburg College in 1980 and served our nation for over twenty years as an Army Special Forces officer. Still working for disaster response and emergency management organizations, I am employed in the public, private, and non-profit sectors. I am also a genealogist, military historian and outdoorsman. My wife Cindy and I have a blended family of six children and three grandchildren.

Throughout my life's journey, many times I felt God's sure hand on my shoulder. He saved me from not only evil, but from myself. In humble prayer, I put my trust in the Lord to place peace in my heart. He showed me His path into the light. Seeking a Bible-believing church, Cindy and I joined this congregation and have experienced sincere fellowship and joy here. We have found purpose and hope amid great change. The Lord has blessed me with many gifts, and now the opportunity to be a shepherd to others. In His good time, He has called me to teach, to exhort, to share my faith, to help, and to show mercy. I am answering, send me.
